Goliath Rigidtag™

The **Goliath Rigidtag™** is a long term eartag and made 100% from high quality nylon. The size of **Goliath™** its ideal for large animals and serves cases where required excellent visibility of visual marking, from large distances without immobilizing an animal.

Jumbo™ & Goliath™ Applicator

Caisley

Jumbo Rigidtag™

The **Jumbo Rigidtag™** is a long term eartag and made 100% from high quality nylon. The medium size of **Jumbo™** its ideal for small and large animals and serves cases where imprinting is required host of information and complicated print options.

** Temporarily and due to technical delays in the production of **Dls® Rigidtag** Applicators, the install of the **Jumbo™** & **Goliath™** will be supported by **Caisley** applicators.*

** The **Jumbo & Goliath Rigidtag™** ear tags, are ideal for marking of shark, tuna, as well as other fish species due to their resistance to marine environments. Choose the ideal size that suits at your fish and take advantage of the unique features of **Dls®** ear tags.*
